President Cointment addresses East Ascension Rotary

Ascension Parish President Clint Cointment was the featured speaker today when the East Ascension Rotary Club met at the Ascension Parish Government Complex in Gonzales. Cointment described his encounters during his first three weeks in office, and shared his vision for the future of Ascension Parish.

Cointment told the group of more than forty people about his efforts in litter control and drainage improvements and how the parish is addressing traffic and congestion. He also spoke about building his administrative team, comparing the process to the way Coach O built his National Champions football team at LSU – getting the right people who have the chemistry and synergy to work together and accomplish positive goals.

More about President Cointment's plans and goals can be seen in his monthly Parish President's Reports, which are available on the Parish YouTube channel, <https://www.youtube.com/user/ascensionparish>, and Facebook, <https://www.facebook.com/AscensionGov/>
