The project consists of grading, drainage structures, subgrade treatment, drilled shaft foundations, traffic signalization, landscaping, asphalt concrete pavement, portland cement concrete pavement, and related work in Ascension Parish.

The Louisiana Department of Transportation and Development advises motorists that there will be a full road closure of Ascension Parish 929 on Monday, March 4th, beginning at 8:00am, and will remain closed until Wednesday, March 6th at 5:00 pm.

Closures will be northbound and southbound directions on AP 929 between LA 42 and Rochelle Road to make base improvements along AP 929. No permit or oversize loads, including emergency vehicles, will be able to pass. A signed detour will be in place utilizing LA 42 to LA 930/Parker Road/LA 44.
