### **Ascension Parish Government to Implement New Organization Chart**

Ascension Parish President Kenny Matassa announced today that his administration will fully implement the organizational structure as presented to the Council Finance Committee last month by SSA Consultants.

“When I hired SSA last year to do this study, my commitment to the Parish was that I would follow their recommendations,” said Matassa. “This week, I am putting those recommendations into place.”

The organizational structure takes effect this week. Department heads will meet with their personnel and the next step will be the realignment of budgets and adjustments in job titles, which will be done by ordinance.
