Work to begin Sept. 7 to widen LA 22; lane closures, restrictions planned

**Contact: Scott Rabalais (225) 621-5753; E-mail: srabalais@apgov.us
FOR IMMEDIATE RELEASE: Sept. 2, 2010**

GONZALES – Construction is set to begin Tuesday, Sept. 7 to create a new left-turn lane on LA 22 at its intersection with Airline Highway (US 61), according to the Louisiana Department of Transportation and Development (DOTD).

Work is expected to be completed by late October.

Night and weekend lane closures will be necessary during this project. Closures can be expected at the following times:

- Monday through Thursday: 6:30 p.m.-5:30 a.m.
- Weekends: 6:30 p.m. Friday through 5:30 a.m. Monday

During times when lane closures are required, only vehicles 11 feet wide or smaller will be allowed to pass through the construction zone.

Oversized vehicles will be required to detour. The suggested route from Airline Highway is LA 431 to LA 429.

The LA 22 project will add a left-turn lane beginning a quarter-mile east of Airline to the intersection of the two highways.

Motorists are reminded to drive with caution through the construction site and to be alert for work crews and equipment.
