President Matassa Cuts the Ribbon on Multi-Use Sports Complex

Ascension Parish President Kenny Matassa officially cut the ribbon this morning on the Parish's new Multi-Use Sports Complex at Lamar-Dixon Expo Center.

The complex boasts seven tournament-based lighted soccer fields, restrooms and concession facilities, paved parking, and its own entrance from South St. Landry Avenue.

"With this complex, we have a place for our people to enjoy a variety of sports and leisure activities," said Matassa. "Plus, it enables us to host state and regional tournaments, which is great for economic development."

The Parish has partnered with Gonzales Soccer Club to maintain and operate the facility, which will coordinate scheduling with the Parish Recreation Department.
