FOR IMMEDIATE RELEASE: Nov. 16, 2009**

GONZALES – A project by the Ascension Parish Drainage Department resulted in the closure of George Duplessis Road on Monday, Oct. 26.

The project involves replacing a wooden bridge with several large, 60-inch culverts and an asphalt overlay.

During construction, motorists are advised to use a temporary connection with Betty Street as an alternate route.

For more information, call (225) 621-5730.
