Ascension Parish to Complete Flood Debris Removal

Parish President Kenny Matassa announced that effective Monday, December 12, 2016, Ascension Parish Government will assume the responsibility for Debris Removal along state highways.

“If you live along a state highway, and you still have debris remaining on your property, we are going to help you,” said Matassa.

Residents must visit Room 105 of the Parish Government Complex located at 615 East Worthey Street, Gonzales in order to sign the proper paperwork and have the debris picked up. Residents may also call Tetra Tech at 225-348-2254 between the hours of 8am and 5pm Monday through Thursday, and 8 am to 11 am Friday.

Debris will continue to be picked up now through December 22 before a brief holiday break. A Parish-wide final pass will be conducted January 9 through January 20.

Ascension Parish Government will not demolish or pick up demolished homes. Residents are encouraged to secure other alternatives needed to remove demolished homes from their property.
