Section 17-2090 Administration and Enforcement (Q.) Variances:

Standards for Variances. No variance in the strict application of the provisions of this ordinance shall be granted by the Board unless it finds that the following requirements and standards are satisfied:

a. The granting of the variance shall be in harmony with the general purpose and intent of the regulations imposed by this ordinance for the district in which it is located and shall not be injurious to the neighborhood or otherwise detrimental to the public welfare.

b. The granting of the variance will not permit the establishment of any use which is not permitted in the district.

c. There must be a showing of unique circumstances.

d. There must be a showing of unnecessary hardship.

e. There must be a showing that a variance is necessary for the reasonable use of the land or building and that the variance as granted by the board is the minimum variance that will accomplish this purpose.

f. There must be a showing that the proposed variance will not impair an adequate supply of light and air to adjacent property, substantially increase the congestion in the public streets, increase the danger of fire, endanger the public safety, or substantially diminish or impair property values within the adjacent neighborhood.

g. There must be a showing that the granting of the variance requested will not confer on the applicant any special privilege that is denied by this ordinance to other lands, structures, or buildings in the same district. The Board may prescribe any safeguard that it deems necessary to secure substantially the objectives of the regulations or provisions to which the variance applies.
