Daigle Road to have intermittent lane closures

Ascension Parish Department of Public Works has announced that Daigle Road (Highway 930) in Galvez/Hobart will have intermittent lane closures beginning Monday, January 27. The lane closures will affect the section of road between LA 42 and Parker Road. These closures are necessary for road construction associated with the Highway 930 Widening Project, which is part of the larger Move Ascension Transportation Initiative.

One lane of traffic will be maintained at all times; however, drivers should expect some delays.

DPW estimates the work to be completed, weather permitting, by Friday January 31.
