Ascension Parish Recreation Takes Youth Baseball to the Next Level

Ascension Parish Recreation Department has announced a Cooperative Endeavor Agreement between Ascension Parish and Impact Sports of Gonzales. Impact Sports has been authorized to manage and operate the Parish Youth Baseball program for children aged 3 to 18. Impact Sports is committed to providing an outstanding experience for the kids, families, coaches, and partnered sponsors of AP Baseball.

“This Public/Private Partnership will bring our recreation program to the next level,” said Parish President Clint Cointment. “And affiliating with ‘Little League’ gives our youth an additional opportunity for league play.”

Registration is being accepted now through February 28 for Spring and Summer 2021 and can be completed online by visiting www.apbaseball.com. Potential registrants will first be asked to set up an online account. Instructions for completing the registration process and all applicable fees are shown on the website.

Documents needed for registration are:
