### C Braud Road Narrows to One Lane

C. Braud Road in Prairieville, between Bluff Road and LA 73, will have lane closures for the next several days so the contractor can lay the final layer of asphalt. Single-lane traffic will be maintained at all times. Please expect delays, and use caution while traveling in this traffic construction area.

Follow the progress of this and all roadway projects at [www.MoveAscension.com](http://www.MoveAscension.com).
