COVID-19 Vaccine Available at Prevost Hospital in Donaldsonville

Ascension Parish President Clint Cointment announced today that Prevost Memorial Hospital in Donaldsonville has been selected as a COVID-19 vaccine site.

The Moderna vaccine will be offered to all qualified recipients on Tuesday, March 16, from 9:00 am until 2:00 pm in the parking lot next to Prevost Memorial Hospital, 301 Memorial Dr, Donaldsonville. The second dose will be available on April 13.

“Once again Ascension’s OHSEP has gone above and beyond duty to bring COVID relief directly to the people who need it,” said Parish President Clint Cointment.

Vaccines and vaccinations are provided through a coordinated effort by Ascension Parish Government, Homeland Security and Emergency Preparedness, City of Donaldsonville, Prevost Memorial Hospital, Louisiana Department of Health (which is providing the vaccine), and Louisiana National Guard (which is administering the vaccine). Traffic control will be provided by the Ascension Parish Sheriff’s Office.

Preregistration is required, and can be completed by visiting:
