Ascension Recreation to Reopen Skatepark

Ascension Parish Recreation has announced the grand opening and ribbon cutting for the Parish Skatepark on Saturday, May 1, from 10 am until noon.

The skatepark was formerly located on Irma Boulevard in Gonzales, but was moved to make way for a wellness center on the property. It has been relocated to the Oak Grove Community Center grounds on Highway 42 at Highway 73 in Prairieville. That facility already boasts a playground and a spray park, as well as the community center building.

The Recreation Department promises a morning of fun and festivities to inaugurate the skatepark's new home. In addition to the basic event information, skateboarders and everyone else attending will be able to enjoy live music by Daniel Tullier and Clay Bourque, a bounce house provided by All About Fun, a free photo booth by Anything Pose Photo Booth, and free food and drinks provided by Meanco, LLC, the concrete contractor on the project. As an added treat, Rukus will have a booth set up, and will be running skateboarding demos and holding best trick competitions.
