Engineering Design Services for Feed Water Storage Tanks Project

Date: April 4, 2024

PURPOSE: Revised RFQ Specifications section 1.2 BACKGROUND

1.2 BACKGROUND

The Parish desires to obtain the professional services of an Engineering Firm to provide professional design services for a program funded by Capital Outlay Program. The Parish of Ascension is seeking funding through the Capital Outlay Program to support our feed tank renovations. The selected engineering firm will be responsible for permits, supporting documentation, design and construction documents required for the renovation project. The project plan is to restore the integrity of the feed water tanks back to their original construction.
