Ascension Parish Government Launches Ascension21 Streaming Service on Major Platforms

Ascension Parish, Louisiana - Ascension Parish Government proudly announces the launch of Ascension21 on five popular streaming platforms. Citizens can now access Ascension21 on ROKU TV, Amazon Fire TV, Apple TV, the iOS App Store for Apple devices, and The Google Play Store for Android devices.

Ascension21 offers residents a convenient way to stay informed and engaged with parish governmental meetings, events, and crucial information, especially during emergencies. By searching for "Ascension21" within their preferred app, users can download the application and begin streaming content immediately.

Ascension Parish President Clint Cointment expressed his enthusiasm for this development, stating, "Ascension Parish Government is dedicated to enhancing accessibility and transparency for our residents. The launch of Ascension21 on these popular streaming platforms marks a significant step forward in our efforts to connect with the community in an even more convenient way."

Ascension21 is a vital resource for residents to stay up-to-date with the latest news, developments, and initiatives within Ascension Parish. Whether accessing live coverage of governmental proceedings or catching up on important announcements, Ascension21 ensures that information is readily available at residents' fingertips.

To access Ascension21, search for the application within your desired streaming platform, download it, and start enjoying the benefits of staying connected to Ascension Parish Government.
