Ascension Offering Water, Ice and MREs, and Tarps Upon Request

Donaldsonville, LA - Ascension Parish Government, in collaboration with the Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP) and the Louisiana National Guard, will be offering water, ice, and Meals Ready to Eat (MREs) to residents in need. These items will be available on Saturday, September 14, from noon until 6 PM at the Lemann Center, 1100 Clay Street, Donaldsonville, LA.

The distribution is a drive-through event, where residents remain in their vehicles while receiving essential supplies. Louisiana National Guard members will load MREs, water, and ice. Tarps will be available upon request.

Traffic Instructions:

Drivers should enter from Church Street onto Clay Street, pass through the distribution stations, and exit onto Thibaut Drive.

The Louisiana National Guard operates the event with support from the Ascension Parish Sheriff's Office, Ascension Parish Office of Homeland Security and Emergency Preparedness (APOHSEP), and the City of Donaldsonville.

This program will continue until 6 PM or as long as supplies last. Residents are encouraged to attend early to ensure they receive the necessary assistance.
