Ascension Parish Government Offices to Close Wednesday September 11, 2024

Gonzales, LA - Ascension Parish President Clint Cointment announced this afternoon that Parish Government offices will be closed all day Wednesday, September 11, 2024, due to Tropical Storm/Hurricane Francine.

"We expect lingering effects from Francine will continue to make roadways dangerous through Wednesday," said President Cointment. "Only essential emergency personnel from the Department of Public Works, Drainage, and Emergency Preparedness will be asked to come in."

Ascension Parish Government is scheduled to resume regular operating hours on Thursday, September 12, 2024. The health units will reopen at 11 am on Thursday. Employees will be kept informed through the [Everbridge Emergency Alert System](#) and should remain in contact with their supervisors for instructions.
