Ascension Parish launches website to aid in storm debris pick-up efforts

Gonzales, LA - The Parish's administration has put together a website for you to register your debris, **if bags are used, they must be clear.**

Please visit this website or scan the QR code to access your mobile device to register your vegetation and/or construction debris.

<https://arcg.is/8XPTj>

If residents have questions or comments, they are encouraged to contact our Citizen Service Center at (225) 450-1200.

President Cointment stated, "I can't tell you how proud I am of our citizen's response to Hurricane Francine. I will ensure this debris pick-up continues until everyone in this Parish has their debris removed."

This process can take several weeks; during this time, we will keep the two drop-off locations open from dawn until dusk:

- Lamar-Dixon Expo Center (Ashland Rd entrance)
- LaLa Regira Baseball Complex in Donaldsonville
