Electrical Repairs and Replacements due to Hurricane Francine

Gonzales, LA - All electrical repair and electrical replacement work to be performed on damaged electrical services affected by Hurricane Francine in Ascension Parish is hereby waived for permitting and inspections.

Once you have repaired or replaced your electrical service, please contact your utility provider directly for reconnection. Entergy and DEMCO have been informed to restore power to electrical services that are deemed safe by their linemen during this time.

If you have questions regarding this message, please contact the call center at 225-450-1200.
