Ascension Parish Government Buildings to Close for Election Day on November 5, 2024

Gonzales, LA - Ascension Parish President Clint Cointment has announced that all parish government buildings will be closed on Tuesday, November 5, 2024, in observance of Election Day. Several parish buildings serve as polling locations, and this closure will ensure that residents have full access to these sites for voting.

"Election Day is a crucial opportunity for every citizen to participate in our democratic process," said President Cointment. "We want to make sure our facilities are available for this important civic duty, and closing the buildings for the day will help facilitate a smooth and efficient election process. If you haven't had the chance to early vote, Election Day is your opportunity to make your voice heard. It's our civic duty, and I encourage everyone to get out and vote."

Residents are encouraged to confirm their polling locations and make a plan to vote. Parish services will resume normal operations on Wednesday, November 6, 2024.
