Ascension Parish to Begin Second Pass for Roadside Debris Pickup following Hurricane Francine

Gonzales, LA - Ascension Parish Government is set to begin the second pass for post-storm roadside debris pickup on **Saturday, October 19, 2024**. The first pass will conclude on Friday, October 18, 2024.

Residents are reminded that **all debris placed for pickup after October 18 must be registered to ensure collection**. To register your debris, visit ascensionparish.net and click on the "Francine Debris Pickup" link at the top left corner of the website.

If you have debris that needs to be picked up during the second pass, please ensure it is placed by the right of way before October 19, 2024, and your address is registered. If you have previously registered but your debris still needs to be collected, you are encouraged to **re-register your address online or call the Call Center at 225-450-1200 for assistance**. Our debris teams are working hard to locate all remaining debris.

For additional information or to register your debris, visit ascensionparish.net.
