ADDENDUM NO. 6 TO THE  
PROJECT MANUAL

FOR

NEW RIVER CHANNEL IMPROVEMENTS RE-BID  
ASCENSION PARISH, LOUISIANA

PARISH PROJECT NO. EAD 15-004  
HDCA PROJECT 2017-14

H. DAVIS COLE & ASSOCIATES, LLC (HDCA)  
1340 POYDRAS STREET, SUITE 1850  
NEW ORLEANS, LOUISIANA  
(504) 836 - 2020

---

This addendum forms a part of the Contract Documents and modifies Specification sections and Drawings as denoted below. Acknowledge receipt of this addendum in the space provided on the Bid Form. Failure to do so may subject the Bidder to disqualification. Bidder is responsible to disseminate this addendum to all subcontractors and material suppliers concerned.

This Addendum No. 6 supersedes any contrary or conflicting information in any previously-issued addenda. This Addendum shall be part of the Contract Documents. The following items are issued to add, delete, modify, and clarify the Contract Documents. These items shall be part of and shall have full force and effect as the Contract Documents and the cost involved shall be included in the bid price.

SEALED BIDS will be received by Ascension Parish Purchasing Department, Ascension Parish Governmental Complex, 615 E. Worthey Road, Gonzales, Louisiana, **1:30 p.m., on Wednesday, September 30, 2020** for the above referenced project, for Ascension Parish, Louisiana. Bids will be publicly opened and read aloud. Any bid received after closing time will be returned unopened.

The Contractor shall hold a Louisiana Contractor's license in Municipal and Public Works and/or Heavy Construction and/or Highway, Street, and Bridge Construction.

---

**ATTACHMENTS**

A1. REVISED Louisiana Uniform Public Works Bid Form

**CLARIFICATIONS**

- C1. **Question:** *Please explain Note #9, Sheet 3 of 82. We cannot find anywhere on the plans this would be of reference to govern.* **Answer:** These are general requirements applicable to all projects. There is no specific requirements for the contractor to provide temporary power distribution. However, if the contractor were to elect to provide temporary power to enact his means and methods of construction, the temporary power distribution system would be required to comply with Note #9, Sheet 3 of 82.

- C2.** **Question:** *Weight limits and "No Truck Traffic" signage along City Streets within the project work area. Will the Contractor receive deviation from these from the Owner to use for the job?* **Answer:** Deviation from the currently posted "No Truck Traffic" signage may be sought by the contractor upon submittal of a trucking plan to the engineer and owner. It is anticipated that some deviations will need to be granted.
- C3.** **Question:** *Plans refer to an excavation plan for the work areas along RR and US 61. Will we be required to have a stamped excavation plan for the entire job?* **Answer:** An excavation plan is required, however it does not need to be stamped by a licensed professional engineer.
- C4.** **Question:** *Dewatering Notes and Items. Is it the Owner's intent for us to perform excavation in the dry?* Note 4, Sheet 3 of 82. **Answer:** Yes
- C5.** **Question:** *Please confirm what pay item #26 on the bid sheet (revised) is to be used for on this project.* **Answer:** This pay item has been removed. See attached revised Bid Form.
- C6.** **Question:** *Is it the intent of the Owner to require the Contractor to wrap the entire work area in silt fence?* **Answer:** A Stormwater Pollution Prevention Plan (SWPPP) is required per Section 02204. This plan may or may not require silt fencing. That requirement would depend upon the contractor's stated means and methods for performing the work.
- C7.** **Question:** *Does the Owner have a designated place that we can bring the spoils for dumping? At this time, it appears that "No Fill Requirements" are a local restriction.* **Answer:** The owner does not have a designated disposal site for the removed spoil. The disposal of the spoil in a legal manner is the responsibility of the contractor.
- C8.** **Question:** *Several notes on the cover sheet of the plans refer to structural concrete and steel piles. Can you please reference the specific areas in this project that will require steel sheet piles as well as any structural concrete that is required? Also, if there is, please refer to the associated pay items in which it is to be paid.* **Answer:** The structural concrete notes apply to the pre-cast drainage structures utilized for the project. The steel sheet pile notes are general notes that do not relate to any specific pay item at this time. They are included in the plans in the event that steel sheet piles are required for the project during construction due to unforeseen conditions.
- C9.** **Question:** *Who is responsible for any testing of construction material?* **Answer:** The owner is responsible for testing of construction material.
- C10.** **Question:** *Please clarify from Addendum #5 that the Owner does not have any ROW entry agreements in place from 119+00 to 143+00. If this is the case, is it the intent to mobilize equipment, material, and personnel from active bridge crossing locations?* **Answer:** Yes. The owner does not have any ROW for entry in place from Sta 119+00 to Sta 143+00. Entry could be gained by the contractor via the existing bridge crossings. The contractor also may elect to seek, on its own behalf and at its own cost, a right-of-entry from private property owners along this reach of the project.

**CHANGES TO CONTRACT SPECIFICATIONS**

- SP1. DELETE** the Louisiana Uniform Public Work Bid Form and **REPLACE** with the attached **REVISED** Louisiana Uniform Public Work Bid Form.
- SP2. REVISE** Section 01025 – Measurement and Payment, Paragraph 1.28 to read 'NOT USED'.

**CHANGES TO CONTRACT DRAWINGS**

- D1. NOT USED**

- END OF ADDENDUM 6 -

**Division 3 – Article 1**  
**LOUISIANA UNIFORM**  
**PUBLIC WORKS BID FORM**

**TO: Ascension Parish Government      BID FOR:      NEW RIVER CHANNEL IMPROVEMENTS**  
**P.O. Box 2392      EAD-15-004**  
**Gonzales, Louisiana 70707**

The undersigned bidder hereby declares and represents that she/he: a) has carefully examined and understands the Bidding Documents, b) has not received, relied on, or based his bid on any verbal instructions contrary to the Bidding Documents or any addenda, c) has personally inspected and is familiar with the project site, and hereby proposes to provide all labor, materials, tools, appliances and facilities as required to perform, in a workmanlike manner, all work and services for the construction and completion of the referenced project, all in strict accordance with the Bidding Documents prepared by: H. Davis Cole & Associates, LLC (HDC&A) and dated: March, 2019.
