ADDENDUM NO. 1

RODDY ROAD WIDENING: LA 935 TO LA 621 CLEARING AND GRUBBING

**Ascension Parish Government
 615 E Worthey St.
 Gonzales, LA 70737**

**P.O. Box 2392
 Gonzales, LA 70707**

Parish Project No. MA-17-01-A

TO: All holders of record of contract documents

GENERAL: The following items shall be considered part of the contract documents and shall be included in the same when the construction contract is executed. Changes made by addenda shall take precedence over original documents. Any changes which may affect construction or proper installation of materials or equipment not specifically mentioned in this addendum should be brought to the attention of the Engineer before submitting bid. Otherwise, such conditions, if found later to exist, must be worked out in an acceptable manner without additional cost to the Owner. General contractors are hereby advised to call attention of all subcontractors and/or suppliers to changes which may affect their work and/or product.

Acknowledge receipt of this addendum by inserting its number, date of receipt, and signing or initialing in the proper blanks appearing on the Bid Form. Failure to comply with the above may subject Bidder to disqualification and may be sufficient cause not to read or accept the bid.

This addendum consists of a total of 11 pages.

Part I. Questions for Clarification:

Section 1. Questions from Pre-Bid Meeting:

1. **Is there an engineer estimate for this job?**
 - T. Baker Smith responds that the estimate range is \$375,000 - \$425,000.

Section 2. Questions submitted in writing for Clarification:

1. **Are the typical sections shown on plan sheet 2 for a future project and just being provided for informational purposes?** This project is specifically devoted to the Clearing and Grubbing portion of a future Roadway Reconstruction Project. Typical Sections and Cross Sections are being provided for informational purposes only.
2. **Where is Contract item 203-03-00100 Embankment to be used?** As stated in Note 37 on Page 3, "The Contractor shall replace all void areas resulting from the removal of all tree, brush, etc., root systems in accordance with Section 203.06.1 of the Standard Specifications. Embankment shall be shaped, graded and compaction to the satisfaction of the Project Engineer. Payment for all materials and labor to place and shape incidental embankment for root/stump voids shall be included in 203-03-00100."
3. **If a license with Clearing & Grubbing included be sufficient?** Only Bids of Contractors licensed under LSA R.S. – 37:2150 et seq., will be considered. Contractors shall be licensed under Classification II – Highway, Street and Bridge Construction.
4. **The Affidavit provided in the bid documents is for an Architect, not a Contractor. Can you please provide an Affidavit for a Contractor?** Yes. General Conditions of the Construction Contract, Part 3, Page D110, Non-Collusion Affidavit, has been removed and replaced with attached Revised Non-Collusion Affidavit, Pages D110 and D110a.
